NEED TO CREATE THESE VARIABLES:

Line #	Desc	Age	Group	PHP Text
Smoke_C_0 1	CounselSmoker	ALL	PHP + C	Quitting smoking may be one of the most important things you can do to protect your health now and in the future. Quitting smoking can also help <<child's name>> stay healthy. It is not easy, but it is do-able. You know, there is a great place for you to get help. It's called the quit line. It's a phone number that you can call to get advice on how to quit smoking or cut down on how much you smoke. I can give you the phone number now.
Smoke_C_0 2	GivePhoneNumber	ALL	PHP + C	Please get something to write with. Say ready when you're ready to hear the number.
Smoke_C_0 3	PhoneNumber	ALL	PHP + C	Okay, the number is 1-800-879-8678. Again, the number is 1-800-879-8678.
