

iHealth Test Document

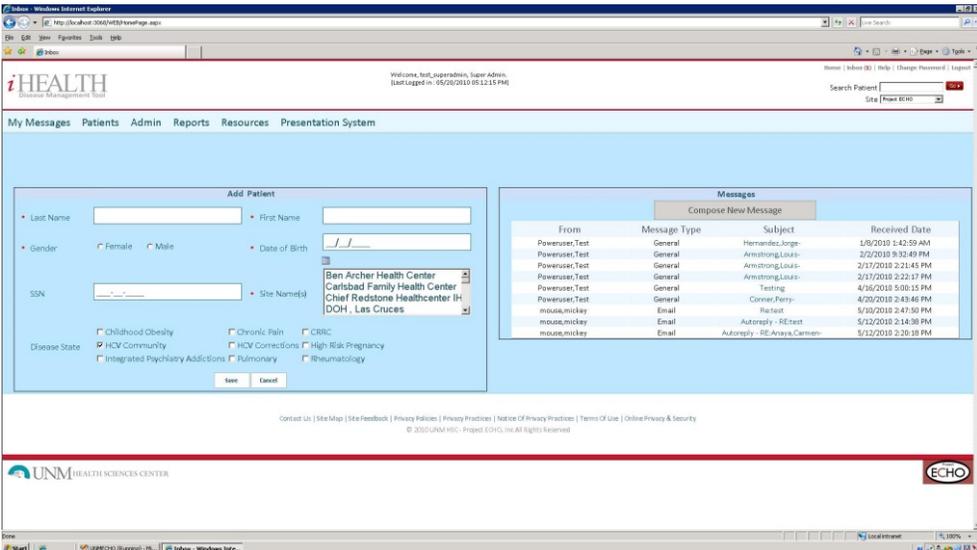

Login

Make sure the computer and Internet Explorer is running with the above screen (web site) displayed.

Enter a 'User name' of _____

and a 'Password' of _____. Ask a moderator, if you need help.

Click on [Patients] from the top row of tabs on the Home Page. Then on the next screen, click on [Add Patient] (underneath the tabs.)

1) Add a patient:

Scenario: A new patient who you have examined, performed the lab tests, and you wish to start treatment.

The screenshot shows the 'Add Patient' form in the iHEALTH Patient Management Tool. The form includes the following fields and options:

- Last Name (mandatory)
- First Name (mandatory)
- MI (optional)
- Gender: Radio buttons for Female and Male
- Date of Birth (MM/DD/YYYY)
- SSN (mandatory)
- Site Name(s): A dropdown menu with options: Ben Archer Health Center, Carlsbad Family Health Center, Chief Redstone Healthcenter II, and DOH, Las Cruces.
- Site MRN
- Home Phone
- Login Name
- Email
- Disease State: A group of checkboxes including Childhood Obesity, Chronic Pain, CRRC, HCV Community, HCV Corrections, High Risk Pregnancy, Integrated Psychiatry Addictions, Pulmonary, and Rheumatology.

Buttons for 'Save' and 'Cancel' are located at the bottom of the form. A note at the bottom left states: 'Fields marked with (*) are mandatory'.

For Last Name, enter _____

For First Name, enter _____

For Gender, enter _____

For Birth Date, enter 10/03/1954

For SSN, enter 111-99-

For Site Name, enter Warner Brothers

For Site MRN, enter _____

For Disease State, enter HCV Community

Click on [Save] button.

A Patient Screen should appear with the Encounter Tab selected:

The top row of tabs still appears, followed by a band for Patient Details, with another row of patient specific tabs.

4) Schedule Patient for a clinic:

Click on [Presentation] tab

The screenshot shows a web browser window displaying a patient's profile and a scheduling form. The patient details include: Site: Albuquerque Apple Promoter, Name: John Adams, ECHO ID: 11517, Date of Birth: 04/21/1989, Age: 21, Start Date: 12/30/2009, HCV Genotype: --, and Current Week: 25. The current medications listed are Interferon Alfa-2A, 3 ML2 X/Week and Ribavirin. The 'Presentation' tab is selected, showing a form with fields for Disease State (a dropdown menu), Clinic From Date, and Clinic To Date. There are 'Search' and 'Reset' buttons. Below the form is a table with one row: Clinic Date: 06/30/2010, Disease State: HCV Community, and an 'Add Patient' button. The footer includes the UNM Health Sciences Center logo and the ECHO logo.

Click on [Add] link by the next Clinic Date for 'HCV Community'

The screenshot shows the 'Add patient to existing clinic' form. The form is pre-filled with the following information: Clinic Date: 06/30/2010, Patient: Adams, John, Reason for Presentation: --Select--, Site: Albuquerque Apple Promo, Area of Concern: (empty text box), and Presenting Provider: (empty text box). There is a 'Preview Presentation' link and 'Save' and 'Cancel' buttons at the bottom. The footer includes the UNM Health Sciences Center logo and the ECHO logo.

1. Select 'Follow-up on Treatment' for the 'Reason for Presentation' drop down.
2. Select '24 week viral load' for 'Follow-Up Type'
3. Within the 'Area of Concern' free text box, type anything.
4. Within the 'Presenting Provider' text box, type in your name and select it.
5. Click on the Preview Presentation link. Close that Internet Explorer Tab to exit.

- 6. Click the [Save] button.
Note that your patient is added to the bottom of the list.
